

## Gate of Heaven Cemetery – Price List In-Ground Cremation Lots

Serving the needs of the Catholic community in Hamilton, Burlington and surrounding areas, Gate of Heaven Cemetery has provided a beautiful place of rest since its opening in 1981. Located just off Highway 6 at the corner of Old York Road and Snake Road, Gate of Heaven has the benefit of being situated away from the noise and congestion of the highway while still being close for those living in the city.

The cost of a cremation lot is **\$887.05**. This cost includes HST. A cremation lot can accommodate two burials of cremated remains. In addition, 40 per cent of the purchase price is allocated to the Care and Maintenance fund administered by the Chancellor of the Diocese of Hamilton. The income from this fund is used to maintain the good order and condition of the cemetery.

### **Interments**

In addition to the burial space, there is also a cost for a grave interment. This cost includes digging and backfilling the grave, removal of excess soil, reseeding and fertilizing. This service may be arranged at time of need or pre-arranged in advance. There are two options available for in-ground burial.

Cremated Remains (Urn only)	\$340.00
Cremated Remains in Urn Vault	410.00

### **Outer Containers**

The Catholic Cemeteries of the Diocese of Hamilton does not require the use of an outer container for the interment of cremated remains. Families may, however, use an urn vault. Prices for urn vaults are available upon request.

### **Other Services**

Upright monuments, bronze and granite memorials and inscription work can be purchased directly from the cemetery. Please visit our office and display room at Holy Sepulchre Cemetery on Plains Road for more information.
