

Gate of Heaven Cemetery – Price List In-Ground Shared Monument Lots

Serving the needs of the Catholic community in Hamilton, Burlington and surrounding areas, Gate of Heaven Cemetery has provided a beautiful place of rest since its opening in 1981. Located just off Highway 6 at the corner of Old York Road and Snake Road, Gate of Heaven has the benefit of being situated away from the noise and congestion of the highway while still being close for those living in the city.

A shared monument lot is a lot where the monument located at the head of the grave is shared with the family owning the interment rights to the lot on the opposite side. Both families share rights to the same monument, with their inscription written on the side pertaining to their lot. Monuments are fixed on the lots prior to families purchasing interment rights, therefore, the style of the monument is chosen at the same time the lot is selected.

The cost of a shared-monument lot is **\$6,424.05**. This cost includes HST and also the first inscription on the monument. Future inscriptions are charged according to the amount of work to be completed. In addition, 40 per cent of the purchase price of the actual burial space is allocated to the Care and Maintenance fund administered by the Chancellor of the Diocese of Hamilton. The income from this fund is used to maintain the good order and condition of the cemetery.

Interments

In addition to the burial space, there is also a cost for a grave interment. This cost includes digging and backfilling the grave, removal of excess soil, reseeding and fertilizing. This service may be arranged at time of need or pre-arranged in advance. There are several options available for in-ground burial.
