

Holy Cross Cemetery – Price List In-Ground Lots – Holy Innocents Section

Located on Governor's Road (Highway 5) in Paris, Holy Cross Cemetery serves the needs of the Catholic community of Brantford and surrounding areas. Holy Cross provides a picturesque and tranquil place of rest, and is one of the newer cemeteries operated by the Catholic Cemeteries of the Diocese of Hamilton. Holy Cross Cemetery is also the location of the Holy Cross Catholic Cremation Centre, and Our Lady of the Assumption Mausoleum.

The cost of a single grave in the children's section is **\$210**. This cost includes GST. In addition, 40 per cent of the purchase price of the actual burial space is allocated to the Care and Maintenance fund administered by the Chancellor of the Diocese of Hamilton. The income from this fund is used to maintain the good condition of the cemetery.

Interments

In addition to the burial space, there is also a cost for a grave interment. This cost includes digging and backfilling the grave, removal of excess soil, reseeding and fertilizing. There is no cost for a burial where the casket does not exceed 28 inches in length. For caskets longer than 28 inches, the cost for an interment is **\$340**. Due to grave size, interments in the children's section are restricted to caskets no longer than 54 inches.

Concrete Outer Containers (Grave Liners)

The Catholic Cemeteries of the Diocese of Hamilton requires that all in-ground casket interments utilize a concrete outer container if the casket is greater than 28 inches. The cemetery provides a standard concrete liner to families at a modest cost. The cost of a child liner is **\$136.50**. This price includes GST and the use of grave dressings and lowering device.

Other Services

Upright monuments, bronze and granite memorials and inscription work can be purchased directly from the cemetery. Please visit our office and display at Our Lady of the Assumption Mausoleum for more information.
