

Marymount Cemetery – Price List In-Ground Cremation Lots

Serving the needs of the Catholic community of Guelph and surrounding areas, Marymount Cemetery provides a beautiful and peaceful place of rest. Marymount Cemetery is located on Highway 6, and has provided burial grounds for several generations of families in the area it serves.

The cost of a cremation lot is **\$887.05**. This cost includes HST. In addition, 40% of the purchase price is allocated to the Care and Maintenance fund administered by the Chancellor of the Diocese of Hamilton. The income from this fund is used to maintain the good order and condition of the cemetery.

Interments

In addition to the burial space, there is also a cost for a grave interment. This cost includes digging and backfilling the grave, removal of excess soil, reseeding and fertilizing. This service may be arranged at time of need or pre-arranged in advance. There are two options available for in-ground burial.

Cremated Remains (Urn only)	\$340.00
Cremated Remains in Urn Vault	410.00

Outer Containers

The Catholic Cemeteries of the Diocese of Hamilton does not require the use of an outer container for the interment of cremated remains. Families may, however, use an urn vault. Prices for urn vaults are available upon request.

Cremation Service

The Catholic Cemeteries offers cremation service through the Holy Cross Catholic Cremation Centre located at Holy Cross Cemetery in Brant County. The cost for standard adult cremation service is **\$420.00**.

Other Services

Upright monuments, bronze and granite memorials and inscription work can be purchased directly from the cemetery. Please visit our office and display room at Our Lady Immaculate Mausoleum for more information.
