

Our Lady of the Angels Cemetery – Price List In-Ground Cremation Lots

Serving the needs of the Catholic community in Hamilton Mountain, Stoney Creek and surrounding areas, Our Lady of the Angels Cemetery is the newest cemetery operated by The Catholic Cemeteries of the Diocese of Hamilton. Situated on Mud Street at Sixth Road East, Our Lady of the Angels Cemetery was opened in 2000, and provides a tranquil place of rest for those in the community it serves.

The cost of a cremation lot is **\$887.05**. A cremation lot can accommodate two burials of cremated remains. The cost for the lot includes HST. In addition, 40% of the purchase price is allocated the Care and Maintenance fund administered by the Chancellor of the Diocese of Hamilton. The income from this fund is used to maintain the good order and condition of the cemetery.

Interments

In addition to the burial space, there is also a cost for a grave interment. This cost includes digging and backfilling the grave, removal of excess soil, reseeding and fertilizing. This service may be arranged at time of need or pre-arranged in advance. There are two options available for in-ground burial.

Cremated Remains (Urn only)	\$340.00
Cremated Remains in Urn Vault	410.00

Outer Containers

The Catholic Cemeteries of the Diocese of Hamilton does not require the use of an outer container for the interment of cremated remains. Families may, however, use an urn vault. Prices for urn vaults are available upon request.

Other Services

Upright monuments, bronze and granite memorials and inscription work can be purchased directly from the cemetery. Please visit our office and display room at Our Lady of the Angels Cemetery for more information.
